

Poster preparation guide

Poster General Specifications:

- Posters will be displayed on **designated A0-size poster stands**.
- Submit your poster as a PowerPoint file (.PPT or. PPTX).
- Only one slide per poster is allowed.
- Use the provided poster template for your design.
- The final submission deadline is **August 14, 2026**

Design Specifications:

- The poster must adhere to the provided format/template.
- The presenter's name, poster title, and any required details should be positioned within the designated title placeholder.
- The content of the poster should be concise, self-explanatory, and well-organized to ensure clarity.
- Use a clean, readable font, such as Helvetica or Times New Roman, with a minimum font size of 14 points for the body text to ensure legibility

Color Specifications:

- For light backgrounds (e.g., white, yellow, light blue), use dark fonts such as black, navy blue, or dark green for better visibility.
- For dark backgrounds (e.g., blue, purple), opt for light fonts like white, yellow, or cyan to ensure clear readability.
- Avoid using red or green in both fonts and backgrounds, as these colors can impair legibility.
- Ensure that illustrations, images, and photographs in the E-poster are enlarged to adequately display relevant details
